In addition, you can earn in-game rewards and XP tokens that can be used to help you level up in Call of Duty®: Modern Warfare®. Read on to discover all the things you can do and get using the Call of Duty Companion App. Combat Record Wants to show your friends how to make in Modern Warfare or check out some of the stats for your team? Pull up the Companion app and go to the Player tab. On the Player tab, you can see your lifetime stats, weekly statistics, stats per game mode (TDM, Dom, HQ, S&D, and Cyber Attack), latest results, and more. Get to grips with your most effective modes and where to put some more work in when you get back out there. To check with your team, go to Feed on the Social tab. In the Feed, you can see the latest achievements and who is playing Call of Duty online. Rewards You say that the best things in life are free, and that applies with the Companion App's rewards. Each week, players who log in will receive a login bonus once. The sign-in bonus includes items such as free calling cards (examples shown above), Double XP tokens, and Double Weapon XP tokens for use in Modern Warfare. Another way to earn rewards is to participate in Ops. Ops are weekly tournaments where your squad competes against 24 other teams to earn the top three spots and get rewards. Your squad can be up to 20 players, and you can make progress playing in Modern Warfare or in Call of Duty®: Black Ops 4. In Ops, your team gets a challenge like 'Get the most wins in Kill Confirmed' or Get the most kills in Domination, and then play Black Ops 4 or Modern Warfare and track your team's progress in the app to win the rewards. Challenges change every week, and rewards are given out to 1st, 2nd and 2nd Challenges also sometimes have a minimum of 'Minimum 25 Kill Confirmed Wins' to be eligible to win. Complete the challenges, win up, and collect your rewards. Intel. Always The Companion App, too, gives you insight into happenings in the world of Call of Duty.
